

The logo features the word "BlueBook" in a white serif font, centered within a large dark blue circle. This central circle is surrounded by five other circles of varying sizes and shades of blue: a medium blue circle at the top right, a small dark blue circle at the top, a medium blue circle at the bottom right, a large dark blue circle at the bottom left, and a small medium blue circle at the middle left.

# BlueBook

# Introduction to African American Studies

## AAS-102

Difficulty: 

Interesting: 

 Like

 +Wishlist

 Dislike

Description:

A range of disciplinary perspectives on key topics in African American Studies: slavery and abolitionism, theories of race and racism, gender and race, the era of Jim Crow, cultural expressions, political and intellectual thought, African American freedom struggles from the seventeenth through the twentieth centuries, and race and public policy. Instructor: Staff
